

Hello,

We are an organisation called Somerset Christian Camps. We run two identical weeks of a children's camp each summer during August. If your child will be aged 7 to 12 years this summer, then our camp is for them! This year's dates are: Monday 7th to Friday 11th August, and Monday 14th to Friday 18th August 2017.

This year Camp will be held at Mark College, near Highbridge in Somerset, which is a private school for children with learning difficulties - (though Camp is not affiliated with the school).

The children are placed in single sex tent groups of about 6 children, led by two adults whose aim on Camp is for the kids in their care to have a fantastic

week! At night, the children and their leaders sleep under canvas in large army tents. The spirit of Camp is kept lively by the running of a healthy competition during the week, where points can be earned for nearly everything, from working hard at craft, to being the first tent asleep in the evening - it all works together to ensure everyone is involved and having a good time.

Our aim at Camp is to provide children with the opportunity to explore Christianity further, both through evening meetings full of singing, stories, fun and quizzes (Big Church) and quiet times for questions each morning. In the day time they will also participate in a huge variety of sports and craft, trips and games, making life-long friends along the way. If they don't already know somebody who is coming to Camp, don't worry - lots of children come who don't know anybody, and they always make friends in their tent straight away!

We are a non-profit making organisation so the cost of Camp is as small as it can be - £95 covers the cost of everything! That's all the food they will eat, craft they will make, and trips they will go on between the Monday and Friday that they are with us. What a bargain!

If you are interested in sending your child to Camp, you need to send us your application form asap before the last spaces fill up. For more information, check out [www.somersetcamps.org.uk](http://www.somersetcamps.org.uk)

We look forward to seeing you and your child/children at Camp!
